

REMARKS

In response to the action of January 24, 2006, applicant asks that all claims be allowed in view of the amendment to the claims and the following remarks.

Claims 1-30 are currently pending, with claims 1, 6, 11, 16 and 21-26 being independent and claims 21, 22, 24, 26 and 29 having been withdrawn. In this amendment, claims 1-20, 23, 25, 27, 28 and 30 have been amended. Support for these amendments may be found in the application at, for example, page 9, line 14 to page 11, line 1. No new matter has been introduced.

Claims 1-20, 23, 25, 27, 28 and 30 have been rejected under 35 U.S.C. § 112, second paragraph, as being indefinite. In response, claims 1-20, 23, 25, 27, 28 and 30 have been amended to recite an electronic device. For at least these reasons, applicant respectfully requests reconsideration and withdrawal of the rejection of claims 1-20, 23, 25, 27, 28 and 30.

It is believed that all of the pending issues have been addressed. However, the absence of a reply to a specific rejection, issue or comment does not signify agreement with or concession of that rejection, issue or comment. In addition, because the arguments made above may not be exhaustive, there may be reasons for patentability of any or all pending claims (or other claims) that have not been expressed. Finally, nothing in this reply should be construed as an intent to concede any issue with regard to any claim, except as specifically stated in this reply, and the amendment of any claim does not necessarily signify concession of unpatentability of the claim prior to its amendment.

Applicant submits that all claims are in condition for allowance.

Pursuant to 37 CFR §1.136, applicant hereby petitions that the period for response to the action dated January 24, 2006, be extended for one month to and including May 24, 2006.

Applicant : Jun Koyama
